

**Call for Papers:**  
**The 22<sup>nd</sup> Korea-Japan Joint Symposium of Human Factors and Ergonomics**  
**Online Parallel Session**  
**Oct 28-31 2020**

The 22<sup>nd</sup> International Symposium on Human Factors and Ergonomics hosted by the Ergonomic Society of Korea and Japan Ergonomics Society will be held from 28<sup>th</sup> – 31<sup>st</sup> Oct 2020. ESK and JES welcome your contributions from academia, government, and industry presenting novel research findings in Human Factors and Ergonomics. Not only from ESK or JES but all members from ACED or IEA federated societies are welcome.

**Due Dates**

**18<sup>th</sup> Sep2020**

Presentation proposal ([Abstract](#): 300 words in English)

**30<sup>th</sup> Oct 2020**

[Camera-ready papers](#) (A4 up to 4 pages in English)

**Submissions**

Presenters can submit as the format of Extended abstract only, Full paper, or Poster. All presentation materials should be written in English. Please use the following template and submit in **MS-WORD** or **PDF** format. Poster allows any design but within the size of A0(portrait)

for Abstract: <http://esk.or.kr/conference/template1.doc>

for Paper: <http://esk.or.kr/conference/template2.doc>

**Presentation**

Language: English

Online oral presentation is around 15 minutes including discussion and Q&A. The presentation could be either live broadcast or pre-recorded video at the presenter's convenience. Posters will be uploaded in ESK website without oral presentation.

**Registration Fee**

Free

**Publications**

Your camera-ready manuscript would be included in the proceedings of ESK 2020 Spring. Outstanding papers will be recommended for publication in Industrial Engineering & Management Systems (SCOPUS) or Journal of Ergonomic Society Korea (Google Scholar) special issues

**Contacts**
