

Announcement for The 23rd Korea-Japan Joint Symposium of Human Factors and Ergonomics

Call for Abstract

The 23rd International Symposium on Ergonomics Society of Korea and Japan Ergonomics Society joint conference will be held on line from 4th and 5th, December 2021. ESK and JES welcome your contributions from academia, government, and industry presenting novel research results in human factors and ergonomics. Not only from ESK or JES but the members from other ACED or IEA federated societies are also welcome.

Deadlines

8th October 2021

Submission of presentation proposal (Abstract: 200-300 words in English)

5th November 2021

Submission of the camera-ready papers (A4 x 2 or 4 pages in English)

The camera-ready papers shall be sent by Email (only MS-Word or PDF files will be accepted via Email).

Registration

For abstract submission, paper submission and further information, please contact the joint symposium program committee, Prof. Tazoon Park (ESK) or Prof. Kentaro Kotani (JES) by the contact addresses below. Please contact either related with you. If you are not a member of ESK or JES, please contact Prof. Kentaro Kotani (JES).

ESK

Prof. Tazoon Park, Soongsil University
tzpark@soongsil.ac.kr

JES

Prof. Kentaro Kotani, Kansai University
kotani@kansai-u.ac.jp

Proceedings Format

All papers and presentation materials should be written in English.

Guidelines for proceedings (please use the following template): **MS-Word, PDF**

Presentation

Language: English

Presentation time is 15 minutes including discussion for each presentation.

Publication

Your camera-ready manuscript would be published electronically in J-STAGE (<https://www.jstage.jst.go.jp/>).

Conference Fee

If you are belonging to ESK or to other ACED / IEA federated societies (other than JES), the fees are free.

Presentation schedule will be arranged by the Conference and announced later. If you have any questions, please contact:

Prof. Tazoon Park, Soongsil University
tzpark@soongsil.ac.kr

Prof. Kentaro Kotani, Kansai University
kotani@kansai-u.ac.jp
